Working Bee

A very big thank you to the following families who gave up their warm Sunday morning to spruce up our school grounds, Le Cornu, McGill, Gray, O'Neill, Pater and Templeton.

In a few short hours these families worked hard to spruce up the garden next to the library, weeding around front entrance of school, cut back the rose bush and surrounding garden near the morning assembly area, moved a mountain of mulch and planted a new native garden bed next to the new children's play area. The grounds are looking wonderful in time for Homelink and all the upcoming end of year festivities.

2017 Fete

Yes – we are having a School Fete in 2017!!

Everyone would agree that the new playground has been a fantastic addition to the school. All the children are making the most of this area. The equipment cost in excess of \$80,000 and has been funded by a successful community grant, the school and an advance contribution by the P&C.

The P&C will be running the fete in September 2017 to recoup the advance contribution. Initial planning is underway with the majority of work to commence in Term One of 2017 which would include securing sponsorship. If you have a business or have any contacts which may be interested in sponsoring the fete, please email **tspspnc@hotmail.com**. We would like to give the school community the first opportunity to promote their businesses/products prior to approaching the wider local community.
