## Principal's Report

### School Painting

We are very pleased to inform our school community that we are having two classrooms painted. This process will entail the relocation of these classes to the Learning Common but there will be no disruption to access points.

### School Survey

The link for our school survey is being sent with this newsletter. The survey will be open until Friday 11<sup>th</sup> March. We would appreciate it if you could take the time to complete it. If you require a hard copy of this survey please contact the office.

### Mufti Day

This Wednesday sees our first Mufti Day for the year. For parents, new to the school, this means that students don't wear their school uniform but instead, clothes of their choice. All students are asked to bring an Easter egg or bunny to donate to the raffle. Our giant raffle will take place on the Thursday before Easter. This year there will be a limit of two prizes per family. Raffle tickets are coming in already and if you require more they are available from the front office. All proceeds from the raffle go towards the Year 6 Farewell.

### PBL Banner Assembly

This Friday will see our Banner Assembly held in the hall at 11:30. This assembly will see banners presented to students who have earned their banner this term. Banner assemblies will be held once a term. The next Banner assembly will be held in week 5 of Term 2. Week 11 of this term will be the PBL Badge Presentation assembly.

## School News

### Buddy Seat

Last year, as part of their gift to the school, Year 6 purchased a Buddy Seat for our playground. The purpose of the Buddy Bench is as a tool to help students who are lonely and want to make friends. The Buddy Bench is a place for children to sit, and send out a visual signal to other children that they would like friendship, or somebody to play with. It has now arrived and is situated on the main playground near the flagpole where anyone can go and sit and someone will join them. Thank you Year 6 2015 for such a lovely and thoughtful gift.

**Assistant Principal**

## PBL (Positive Behaviour for Learning)

At Truscott Street Public School, our school wide expectations are Respectful, Responsible and Safe. During the last few weeks we have been focussing on what we need to do when lining up. Students from Kindergarten to Year 6 have participated in explicit lessons about what they need to do when they are in lines.

Whilst in lines we fly towards being:

### **Respectful:**

All students and teachers be ready to listen when the 2<sup>nd</sup> bell rings.

Be an active listener and follow instructions.

### **Responsible:**

Stand or sit quietly and still in class lines in the appropriate place.

Take all of your belongings with you when you leave.

Respond to bells promptly.

### **Safe:**

Walk when moving to lines.

Put your bag in the correct place in the morning
