Dear Parents and Carers

### **Mothers' Day**

I hope all our mothers and grandmothers had a lovely day on Sunday. Our Mothers' Day Stall was a success again this year and I hope everyone enjoyed their gifts as much as the children did collecting them. A special thank you to the parents, led by Edwina McGill, who worked so hard to source and distribute the gifts.

### **Information Breakfast**

Enrolments are now being taken for Kindergarten 2018. Children who will be turning 5 years old on or before 31st July, 2017 are eligible for enrolment. Our Information Breakfast for incoming parents will be held on Wednesday 31<sup>st</sup> May from 8:00 am until 9:00am. This is an opportunity for new parents to our school to see and learn about the programs at our school.

### **Year 4 Camp**

Our year 4 students were off to camp this morning all looking very excited. Canoeing, the Giant Swing and the Flying Fox are some of the activities they are most looking forward to. I'm sure they will have a great time and do our school proud as usual. Our thanks to Mrs Nairn for her organisation and to Miss Carrie Bishop, Miss Kate Bishop and Ms Sue Buckland for giving up their time to ensure our students have this opportunity.

### KIDS DANCE

**We are taking NEW ENROLMENTS  
for TERM 2 @ Truscott Street Public**

Come have fun with us after school. At Kids Dance we use our imagination! We get creative and are free to express ourselves through movement. Kids get to explore new dance styles each week including Jazz, Ballet, Tap, Hip Hop, mime & singing.

Younger children will learn movement using colorful hand held props in a convenient 45min class.

Older kids will ignite a passion for fitness. Exploring movement, building strength, flexibility, body awareness, coordination and control.

Our new year 4-6 Bootcamp style class is designed for older kids who want to hang out with friends, listen to their favorite music and want to stay fit having fun.

Classes are held near the Oosh area.

Book now so you won't miss out!

# Spotlight on ..... 4/5B

Outwitting Miss Buckland with  
Matchstick Maths patterns!

Matchstick Patterns

We use the function rule to predict geometric patterns with matchsticks.

shape 1 shape 2 shape 3 shape 4

If Mia followed this sequence - how many matchsticks would she need for shape 20?

Shape number	1	2	3	4	20
Number of matchsticks	3	6	9	12	60
Rule		$\times 3$			

1. Find the function rule and use it to calculate the 20th number in the sequence

Shape number	1	2	3	4	5	20
Number of matchsticks	6	12	18	24	30	120
Rule		$\times 6$
