Dear Parents and Carers

Band

On Sunday our band performed at the Ryde East Musical Festival. From all accounts they performed exceptionally well. All the practice and early mornings certainly paid off and they were awarded the Jupiter Encouragement Award. This award not only recognises talent but also provides the band with a new instrument to encourage the band to grow. This award will be presented at assembly in the near future. Congratulations to our band and a huge thank you to Dave and the band committee without whose tireless work this opportunity would not be available to our students.

Healthy Harold

The Life Education van is in the school this week and all classes are timetabled to attend a session. Life Education is a broadly focused health and drug education program. Primary School Program focuses on issues around food and nutrition, personal safety, physical activity, cybersafety, safety with medicine and legal drugs; tobacco, alcohol and caffeine.

Information Breakfast

Enrolments are now being taken for Kindergarten 2018. Children who will be turning 5 years old on or before 31st July, 2018 are eligible for enrolment. Our Information Breakfast for incoming parents will be held on Wednesday 31st May from 8:00 am until 9:00am. This is an opportunity for new parents to our school to see and learn about the programs at our school.
