NATIONAL CONSISTENCY OF DATA COLLECTION

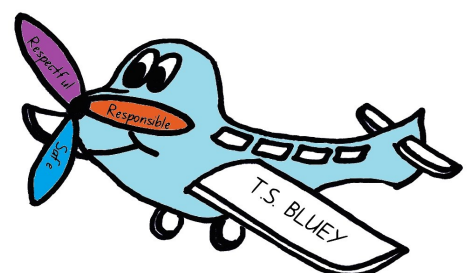

All Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the Disability Discrimination Act 1992 and Disability Standards for Education 2005. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education and Communities is provided in such a way that it cannot be used to identify any individual student or school.

General information about the national data collection can be found on the Australian Government Department of Education and Training website at

Uniform Shop

We are extremely excited to announce that a Fleece Vest has been added to our range of clothing at the Uniform Shop.

This is perfect for that extra warmth around your child's chest to keep those colds at bay without the restriction of a jacket, as something light during those spring and autumn months or even as an extra layer of warmth underneath the existing jackets.

With the school logo embroidered onto the chest, this smart looking vest is a great addition to our line. We are currently taking pre-orders for this item. If you are interested please send me an email to tspsuniformshop@hotmail.com

We will then let you know when the stock is in.

CHESS!!

Learn to be a chess champion! Coaching for students at Truscott Street Public School is held on Mondays from 1:10pm to 2:00pm, starting on 24 July 2017.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email enrol@sydneyacademyofchess.com.au for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.
