Dear Parents and Carers

Walk-a-Thon

On Wednesday we held our walk-a-thon in memory of Amity and to raise funds for “The Cure Starts Now”. Our students put in an outstanding effort and managed to complete a great many laps indeed. We ask that all sponsorship money be returned to the office by Friday 16th March. Please do not pay through POP Extra sponsorship forms are available from the office if required.

Zone Swimming

Congratulations to all those students who represented Truscott Street in the Zone swimming carnival last Tuesday. You were wonderful ambassadors for our school and gave of your best. Special congratulations to Jessica G., Annaliese R. and Andrew T. who made it to the finals.

Traffic & Parking Around Schools

A reminder that the Mayor will be hosting a session on the traffic and parking issues around the area which will be held as part of the April P and C meeting on Wednesday 4th April. The meeting will commence at 7 pm in the school hall and is expected to run for approximately an hour. The aim of the Information Session is for community members to come along and hear about the project, raise issues, and ask any questions they may have.

STEM and Science

In STEM lessons Years 3 and 4 are looking at recycling. They will be designing and making a mural in the school to encourage recycling. Could you please send in any plastic bottle tops to the science room. This includes milk and juice lids, vegemite and peanut butter lids etc. All colours and sizes are required.

In Science Kindergarten are making a raft to help the gingerbread man cross the river without being eaten by the fox. Students have investigated waterproof materials as well as materials that sink or float. They need some polystyrene trays (from meat or fruit packaging) to make their raft this Friday. If you have one can you please send it to the science room.

Thank you for your help.

Zone Swimming Carnival

Last Tuesday Truscott Street Public School had 35 students participating in the Zone Swimming Carnival at Ryde Aquatic Carnival. The students were well behaved and cheered on their school. Unfortunately no students will be representing Sydney North Zone, but congratulations goes to all of the students for giving their absolute best swimming performances. They were fabulous representatives of Truscott Street School and did themselves proud. A big congratulation to Andrew T, Annaliese R and Jessica G for swimming times to get them places in finals. A special thank you to Louise Gleeson for being our wonderful team manager, making sure that all students were supervised and made it to their races.
