Dear Parents and Carers

Parking

While parking around the school is difficult we would ask that you park sensibly for the safety of our students. Please be aware that it is not safe, or fair to our neighbours, to park across driveways or on nature strips.

Public Speaking

Congratulations to all the students who represented their stage at the Public Speaking finals last week. The standard was outstanding and made the task of the judges very difficult indeed.

Zone Cross Country

Congratulations to all the students who took part in the Zone Cross Country last week as I know you represented Truscott Street very well indeed. A special congratulations to Atticus R., Liusaidh W. and Bede D. who will now go on to represent Ryde Zone at the Regional Cross Country Carnival.

Marion Blomfield

Principal

Introducing Dash and Dot

Over the past few weeks students from Kindergarten to Year 6 had an opportunity to meet and interact with two little creatures, Dash and Dot. Coordinated by Mrs Shannon, they have made an enormous impact at our school. Dash and Dot are robots that respond to voices, navigate around objects, dance, sing, play instruments, bulldoze objects, connect with Lego and even throw a ping pong ball! These creatures are here to stay as apart of the schools STEM unit. The students have had a really fun time getting to know them and what they are capable of. Last week students had an opportunity to explore coding with the robots through the use of different applications on the ipads.

PLASTIC ALIVE!

WEDNESDAY 11 JULY, 10.00AM - 4.00PM

West Ryde Community Hall, 1A Station Street, West Ryde

Imagine that humans no longer exist and small garbage creatures have colonised the world. Humans have left so much waste lying around that these animals have adapted to use the rubbish as protective exoskeletons. This is your chance to design and construct (at least) one of these creatures from scrap.

COFFEE CUP CREATIONS AND PRINT MAKING

SATURDAY 14 JULY, 10.00AM - 4.00PM

West Ryde Community Hall, 1A Station Street, West Ryde

Come to a workshop where you can learn to reuse your family's daily recycling, reduce the impact of coffee cups in our environment and make amazing creative art works.
