Friday 27 July

Assembly: Captains

Dear Parents and Carers

Cross Country

The Regional Cross Country will be held this Friday. Truscott Street did very well in the Zone carnival with three students qualifying for the Regional Carnival. Good luck to our competitors. I am sure you will represent Northern Sydney Region and Truscott Street, very well indeed.

Enrolments 2019

Enrolments are now being taken for Kindergarten 2019. Children who will be turning 5 years old on or before 31st July, 2019 are eligible for enrolment. If you are intending to enrol your child at Truscott Street next year could you please contact the office for an enrolment form.

Marion Blomfield

Principal

Pam Jurd

Administration Manager

Year 5 students recently had to design a house that could withstand a natural disaster -floods, cyclones, fire and earthquakes. Here are great examples of their work.

Truscott Street Achievers

Congratulations to these students who received the following awards last week.

Truscotts		Truscotts		Truscotts		Truscotts		Post Homes

School News

STEM and Science

Please keep sending in any **plastic** bottle tops to the science room. All colours and sizes are required. Thank you for your help.

Michelle Shannon
Assistant Principal

SRC Mufti Day

On Thursday of week 10 the SRC has organised a Mufti Day to raise money for Stewart House.

Date: Thursday, 5th July, 2018.

Mufti Theme: TOPSY-TURVY DAY! Wear your clothes in an unusual way. For example: wear odd socks with odd shoes, wear crazy colour combinations with outrageous hair and/or wear your clothes inside out. There will be a competition for the most 'topsy-turvy' outfit.

Charity: Please bring a gold coin donation for Stewart House.

Miss Wotton, Miss Fedczyna and Miss Hockley
Student Representative Council Coordinators

Life Education Van Information

Our primary school curriculum based modules focus on issues around food and nutrition, personal safety, physical activity, safety with medicine and legal drugs; tobacco, alcohol and caffeine.

By taking a comprehensive approach to drug and health education our modules help children to develop relationship skills, positive communication (both face to face and online), problem solving and decision making skills.

We provide students the opportunity to develop strategies, and practice the skills required to avoid the harms associated with an unhealthy lifestyle.
