### Year 4 Camp

Aaaaaaayeeee!! I screamed as I went down the giant, giant swing. I went up, down, up, down like a rocket. I was completely convinced that I was going to fall to my death.

In Archery I got a bullseye, along with a red, which was one section away from the bullseye and I got it on blue which was two sections away from the bullseye.

Before Archery we went canoeing. I was in a canoe with Ellie and Amber. We went near a tree by mistake and we had to do Limbo to get away.

Later on we did Flying Fox. I got hit by a tree on the way down. My partner got a bit scared and didn't do it.

#### Daisy S. Year 4

Whoo Hoo! Camp was undoubtedly the best camp I've ever been to in my whole entire life and I would definitely go again. I obviously did every single activity that we could. My friend promised me two times that she'd do the Flying Fox and Giant Swing and then she didn't, but I forgave her.

I got put with friends that I chose because they are my best friends. I think clearly the best part about Year 4 camp is the County Fair but I loved every other thing too.

Giant Swing was so much fun, I must go on it again. The Flying Fox was really fun too but my friend didn't want to go so I just went on it by myself.

At camp I thought the food was going to be disgusting but it was actually pretty good. It is certainly clear that everyone loved camp and guess what, even Miss Glasson went on the Flying Fox!

Camp was so good I still want to be there but the good thing is that I'll always remember the best camp ever.
