Queen's Birthday Public Holiday

From The Principal:

Mother's Day Stall:

It was wonderful to see the excitement on the faces of our students as they lined up to select their Mother's Day presents at the stall last Friday. The array of gifts was lovely and certainly gave our students the opportunity to choose a special present.

Great to see our Dads on the stall giving their advice to the students about which gift to choose was priceless to watch.

On behalf of our students and staff I would like to thank Patrina Morrison- Lawson mother of Ross and Daniel for bringing together such a wonderful band of Dads - Andrew, Colin, Adam, Steve, Aron, Greg and special thanks to Mums Edwina, Sarah and Jasmine.

Oval Upgrade:

We are very fortunate to have a good sized grass area for our students to play on and practice their sporting skills however the area now needs some serious attention to make sure we keep the grass. Last week I met with the Department's Assets team to discuss upgrading our top oval area. We plan to begin work in the Term 3 holidays and into the first three weeks of Term 4. This will involve having the grass surface professionally aerated to improve water absorption, levelled to even out the surface, new turf laid and new mobile soccer goal post installed to allow for high traffic areas to be rested. The result at the end of the upgrade will be a much better grassed area for all our students, staff and our community.

Asphalt and Lunch Seats Resurfacing:

I have put in a submission to Assets to have the asphalt area in front of the Kindergarten classrooms and the ground under and around the lunch seats covered in the same astro turf surface material as we have under the COLA area. The renovations in these areas will significantly enhance these areas for our students to enjoy. I have not been given a start date for this work and would not expect that work would begin before Term 4 at the very earliest.

National Walk Safely to School Day Friday 17th May 2019

Leave the car at home on **Friday 17 May 2019** and participate in National Walk Safely to School Day! National Walk Safely to School Day is an annual event when all Primary School children will be encouraged to walk and commute safely to school. If it's a little too far from home, park a bit further away and walk your child safely to school from there. Walking regularly is great for your child's health. It also helps to reduce traffic problems around schools and teaches your child about road safety.

So double-knot those shoelaces and give it a go!

Safety tips:

- Children younger than 10 years of age should always hold an adult's hand when crossing the road.
- Drivers should always be alert and considerate. Please take extra care when driving in school zones.

P&C News

Message from P&C President

A quick note to say thank you to all those who assisted in the coordination and smooth operation of the movie night and the Mother's Day Stall. As a result of preparation and hard work, both were fun and very successful.

Uniform Shop

Just a reminder that the uniform shop no longer accepts cash in store.

Second hand items can continue to be purchased using cash through the honesty box.
And a huge thank you to everyone for keeping the second hand cupboard neat and tidy :)

Could you be an ethics teacher at Truscott Street Public School?

Ethics classes run during the school year as an alternative to non-scripture, from 12-1pm on Thursdays.

Ethics teachers receive full training and lesson materials from Primary Ethics.

In ethics classes, children learn how to think logically, disagree respectfully and support their arguments with evidence.

If being a Primary Ethics teacher appeals to you, or you are keen to get involved to ensure your child continues the program, please visit www.primaryethics.com.au or contact Rachel Fallowfield (parent and ethics co-ordinator) on 0439994022 / rachel.fallowfield@gmail.com
